

*The diary is now open
to take bookings for
Thursday 20th May onwards.*

*Please check our opening times
on the website.*

*Obviously bookings are provisional
until the official lockdown easing is
confirmed, which we'll hear
10th May. We gather that it will be
the rule of 6 or 2 households
allowed to dine.*

*If you'd like to make a booking please give me a call
0161 445 0448*

*If it goes to voicemail please leave your name and number
and I promise to return all calls.
However please don't leave bookings.*

Menus will be updated shortly.

*We can't wait to welcome you
back and to feel the restaurant
come back to life again.*

Our team are on standby so familiar faces will greet you.

*Very best wishes and
hope to see you soon!
